Spooky shenanigans helped raise more than \$23,000 during the Boys & Girls Clubs of Greater Redlands-Riverside's annual Mansion Masquerade.

The event, one of the Club's signature fundraisers, was held at the Burrage Mansion Oct. 21.

“We’re grateful for the generosity of our board, sponsors, local businesses, volunteers, and the community in holding Mansion Masquerade, which helps us serve more youth through our programs and scholarships,” said Club CEO P.T. McEwen.
