**From Boys & Girls Clubs of Greater Redlands-Riverside:** Tim and Carol Rochford recently announced a \$50,000 donation to Boys & Girls Clubs of Greater Redlands-Riverside in honor of the 50th anniversary of the Club's founding in August 1967.

The Rochfords' gift was a response to the Buster Family Foundation's \$50,000 challenge gift earlier in 2017. Cheryl Lossett also responded with a \$50,000 gift of her own.

"The Rochfords have always been great supporters of the Club and their foundation serves kids – especially those who need it most -- just like us," said Club CEO P.T. McEwen.

He said the Rochfords' history of generosity to local youth is inspiring.

"The Rochfords' Burrage Mansion is a true haven for kids in our community," McEwen said. "We're grateful for their partnership that allows our kids to have fun experiences at the mansion."

The Rochfords bought the historic Redlands mansion in 2007 and had it restored to serve youth in need. They started the Rochford Foundation to oversee the mansion.

Others can join the Club's anniversary celebration by making a gift. The gift will help local youth achieve academic success, build healthy lifestyles, and develop good character and leadership.

Gifts can be sent to 1251 Clay St., Redlands CA 92374. For questions, contact the Club at (888) 822-6535.
